TODAY'S DISCUSSION

WE ARE IN HIM !!!

When we're in someone else's house, shouldn't we obey the rules of the house? Look at verses 5 and 6 and see if such an illustration applies.

QUESTIONS:

Q1: If Noah were a "type" of Christian, what object would illustrate Jesus Christ? ... Explain.

Q2: What is the "old commandment"?

Q3: What is the "new commandment"?

Q4: Name 3 conditions of people that are walking in darkness.

Q5: Name 4 conditions of people that are in the light.

FINAL DISCUSSION:

What does God think when the brethren bicker, back-stab, and despise each other? What does the world think?

FACEBOOK:

Let's use this to encourage each other during the week. 6 days is a long time to be out of contact.

1 John 2:5-11

5 But whoso keepeth his word, in him verily is the love of God perfected: hereby know we that we are in him.

6 He that saith he abideth in him ought himself also so to walk, even as he walked.

7 Brethren, I write no new commandment unto you, but an old commandment which ye had from the beginning. The old commandment is the word which ye have heard from the beginning.

8 Again, a new commandment I write unto you, which thing is true in him and in you: because the darkness is past, and the true light now shineth.

9 He that saith he is in the light, and hateth his brother, is in darkness even until now.

10 He that loveth his brother abideth in the light, and there is none occasion of stumbling in him.

11 But he that hateth his brother is in darkness, and walketh in darkness, and knoweth not whither he goeth, because that darkness hath blinded his eyes.
